LOOKING AHEAD

Feb. 4-6, 2010

18TH ANNUAL SDCTM/SDSTA JOINT PROFESSIONAL DEVELOPMENT CONFERENCE

WHAT CAN YOU DO TO MAKE THE 2010 CONFERENCE A SUCCESS?

ELEMENTARY TEACHERS GET INTO ACTIVE GEOMETRY.

BE A PRESENTER!

- PRESERVICE TEACHERS
- ELEMNTARY TEACHERS
- MIDDLE SCHOOL TEACHERS
- HIGH SCHOOL TEACHERS
- POST SECONDARY TEACHERS

Download the presenter form from either website:

www.sdctm.org

www.sdsta.org

Deadline is October 31, 2009

CELEBRATE THE CLASSROOM

CHECK OUT THE POSTERS IN THE HALLWAY TO GET IDEAS ABOUT WHAT YOU CAN BRING TO SHARE NEXT YEAR. BRING YOUR CLASSROOM TO THE CONFERENCE WITH PICTURES.

BRIDGE BUILDING IS A PART OF HIGH SCHOOL GEOMETRY.

Share the Classroom Treasures: Is your closet full to the ceiling with stuff that's too good to throw away? Bring your excess, good, working equipment or resource materials to Huron during the Math & Science Conference. We will be providing a room for you to drop off and give away your things so that other South Dakota teachers with a need can take it to use. Didn't know about it this year, bring it next year.

Although it may feel like yours, make sure that it is. If it's marked "School Property", please leave it in school.

PLEASE
No Textbooks or broken/non-working equipment.
