- IV. Nominees for the Distinguished Service Award in Mathematics
 - Discussion about possible individuals to honor
- V. New system for membership, newsletter, etc. How is it going?
 - Conference registrations - not as flexible as the prior method
- VI. Proposed Math Standards—what is the role of SDCTM?
 - Discussion
 - Changes in the standards
 - Experience testifying at the Board of Education hearings
 - What is the role of SDCTM in the next adoption of math state standards: focus on supporting our teachers (all levels) in understanding new standards and creating documents supporting teaching strategies and depth of knowledge; possibly use the Symposium as a workshop focused on standards
- VII. Daktronics and Elementary Teaching Awards
 - Dan will take the lead; the information has been sent out on the DOE listserve
- VIII. Adding Public Facebook Page in addition to Private Facebook Group
 - Current page is private, and we want to extend our reach
