June 15th

Exploring Electronic Resources

“Where to Find it— How to Use it”

**Tuesday,
June 15, 2010**

**Register 8:30
Sessions 9-4:00
Lunch will be
provided**

**Cost of Sympo-
sium: \$50.00**

South Dakota Council of Teachers of Mathematics announces a Summer Symposium for Tuesday, June 15, 2010 at Smith Hall (Room 210) on the campus of Dakota Wesleyan University in Mitchell, South Dakota.

Rocky Von Eye, a professor from Dakota Wesleyan University, will present numerous activities incorporating various forms of technology into your teaching. “Where to find it?” “How to use it” The activities will be applicable for students in grades K- 12.

Bring you own computer or use one DWU’s computers. If you bring a school computer, make sure you have the rights to freely access the internet.

Dr. Von Eye is offering an opportunity to make this symposium a one-graduate credit opportunity. You would need to complete an after-symposium assignment. This credit would be available for \$70.00. Questions about the topic or the credit may be directed to Rocky at rovoneye@dwu.edu

Please complete the registration form below. Send form and \$50 by April 23, 2010 to Steve Caron 907 South Sixteenth Street Aberdeen, SD 57401. Registrations questions– contact Steve@steve.caron@k12.sd.us

South Dakota Council of Teachers of Mathematics is an Affiliate of the National Council of Teachers of Mathematics.
